

Commercial Waste Collection Services Guide

Fremont businesses are required to keep cardboard, paper, bottles and cans out of the landfill to comply with new State and County regulations. These new regulations are intended to conserve natural resources and reduce greenhouse gases.

Mandatory Recycling at a Glance

Effective July 1, 2014

To be in compliance with the new State and County regulations all businesses are required to:

- have recycling service
- recycle all cardboard, recyclable paper, glass food and beverage containers, aluminum and plastic containers
- subscribe to a service level sufficient for all recyclable materials
- place only recyclable materials in recycling containers

Recycling for Business

Fremont offers multiple programs for businesses to reduce waste:

- **Business Recycling Program:** required for all businesses generating recyclable materials.
- **Composting for Business Program:** for businesses generating food scraps and compostable materials.
- **Dry Materials Program:** for businesses generating wood, scrap metal, shrinkwrap and other dry materials; free onsite assessment required.

To learn more about these programs or to start service contact Republic Services at (510) 657-3500.

Republic Services also provides free onsite consultation to evaluate your business's recycling needs.

For more information on the Alameda County Mandatory Recycling ordinance go to **RecyclingRulesAC.Org**.
