Home Energy Score® is a program of the U.S. Department of Energy.

StopWaste is a Home Energy Score® partner serving the San Francisco Bay Area in collaboration with the Bay Area Regional Energy Network (BayREN).

The Bay Area Regional Energy Network (BayREN) is a collaboration of the nine counties that make up the San Francisco Bay Area. Led by the Association of Bay Area Governments (ABAG), BayREN provides regional-scale energy efficiency programs, services, and resources. BayREN is funded by utility ratepayer funds through the California Public Utilities Commission, as well as other sources. It draws on the expertise, knowledge, and proven track record of Bay Area local governments.

## Home Energy Score Details

A **Home Energy Score Assessor** will collect information during a home walk-through and score your home on a scale of 1 to 10.

A score of 1 indicates the home needs extensive energy improvements.

A score of 10 indicates the home has excellent energy performance.

## What You'll Learn from Your Score

- **Facts** about how your home uses energy based on data collected by a Home Energy Score Assessor
- **Recommendations** to improve the energy performance of your home, such as:

Adding more insulation and fixing air leaks

Replacing outdated heating or air conditioning systems

Replacing or weather stripping windows and doors

Sealing leaky air ducts

## When to get a Home Energy Score

- Before renovating or remodeling your home
- When you want to make your home more comfortable
- When you want to save money and reduce energy bills
- When you're ready to sell your home

**\$200 REBATE AVAILABLE** making the assessment low to no-cost for you.
