

February 27, 2015

StopWaste is the Alameda County Waste Management Authority, the Alameda County Source Reduction and Recycling Board, and the Energy Council operating as one public agency.

**Subject: Quarterly Disbursement of Measure D Revenues Oct. – Dec., 2014**

Dear:

The Alameda County Waste Reduction and Recycling Initiative (Measure D), levies a surcharge on solid waste landfilled in unincorporated Alameda County. Fifty percent of Recycling Fund revenues are disbursed to cities and sanitary districts that meet criteria contained in the law. Funds disbursed to municipalities must be used "...for the continuation and expansion of municipal recycling programs." The quarterly Measure D disbursement for your jurisdiction, covering the period October - December 2014, is enclosed with the copy of this letter sent to your staff Technical Advisory Committee (TAC) representative or designee.

I would particularly call your attention to the following:

1. The County Charter requires the Recycling Board every five years to conduct a comprehensive financial review of all funds raised and spent under Measure D. The audit is divided into a three year and a two year phase for ease of review. After a competitive RFP process, the Board awarded the contract for the 5 Year Financial and Compliance Audit to Crowe Horwath LLP. Phase I covers Fiscal Years 11/12, 12/13 and 13/14. Crowe Horwath has been in touch with municipal staff to schedule and initiate the audit process. The cooperation of municipal staff in this review is greatly appreciated.

As a reminder, Recycling Board policies and relevant reports, correspondence and forms may be accessed at: <http://www.stopwaste.org/about/measure-d/policies-disbursements>

If you have any questions about the provisions of Measure D, please contact me or Tom Padia, Source Reduction & Recycling Director, at (510) 891-6500.

Sincerely,

Gary Wolff, Executive Director
