

FOOD WASTE COLLECTION

RECOLECCIÓN DE DESECHOS DE COMIDA

SEPARATE SEPARARE

- Separate Food Waste while preparing meals or scraping plates.

COLLECT RECOLECTE

- Use a reusable plastic tub or any compostable paper container such as non-coated take-out boxes or paper bags.
- Use shredded paper to line your containers or wrap in newspaper to help prevent leaks and odors.
- Include food-soiled paper such as coffee filters, non-coated paper plates, napkins, paper towels, paper or parchment, and non-coated take-out containers.

DISPOSE DESECHE

- Empty into green organics cart or bin.

Grant funds may be available (up to \$500 per business) to buy indoor containers for separate storage of organics. The link to the application is here: www.recyclingrulesac.org/containers/.

RECYCLING MANDATES

ORDENANZAS DE RECICLAJE

Recycling and composting conserves natural resources, saves landfill space, and reduces greenhouse gas emissions. **By recycling right, you can reduce your level of trash service and therefore reduce your bill.**

Go to www.recyclingrulesac.org/ordinance-overview to learn more about mandatory ordinances.

PROPERTY OWNERS MUST:

- Ensure that tenants have the required services
- Subscribe to the required collection services
- Provide indoor containers for temporary storage, as well as signage on or near those containers
- Annually provide collection requirements to tenants, employees and contractors

Recyclable and organic materials must be placed in the designated outdoor containers. Please do not place these materials in the green metal trash bin or burgundy cart.

Printed materials available at no charge include labels for your containers and posters for reference by employees or patrons.

CART & BIN SET-OUT REGULATIONS

REGLAMENTOS DE COLOCACIÓN DE BOTES Y RECIPIENTES

Carts or bins may not be placed curbside earlier than 6:00 a.m. the day before the regular collection day. Carts must be retrieved and placed on private property and out of view from the street no later than midnight on your scheduled collection day (HMC 5-1.15).

Safe Disposal of Hazardous Waste: Eliminación segura de desechos peligrosos:
