

Organics Reduction and Recycling Ordinance

SB1383 Food Recovery Organization 2024 Report

Fillable PDF

State law, SB 1383, and the Alameda County Organics Reduction and Recycling Ordinance went into effect January 1, 2022, including requirements for certain food generating businesses to donate edible food to a local food recovery organization or service and establish contracts or written agreements with them.

Organizations receiving surplus edible food from donors must maintain documentation of the types and quantity of food (measured in pounds) recovered per month and the frequency of collections/deliveries from donors.

The 2024 report is due March 28, 2025, by 6:00 pm,

For donations received January 1, 2024 – December 31, 2024.

- Consider providing records to donors to help them comply with reporting requirements.

Required Food Recovery Reporting: *From January 1st – December 31st, 2024

This section is required, and the information entered below will be shared with the jurisdiction your organization is located in for their reporting to CalRecycle.

Total pounds of edible food recovered from:

1. All Tier one and Tier two commercial edible food generators with whom your organization has a contract or written agreement in 2024:
 - Total number of written agreements:
 - Total pounds of food recovered with a written agreement:
2. All Tier one and Tier two commercial edible food generators with whom your organization **did not** hold a contract or written agreement in 2024:
 - Number of donors with no written agreement:
 - Total pounds of food recovered:

For assistance with identifying Tier One and Tier Two donors contact the Ordinance Helpline at (510) 891-6575 (leave a message for call back), ask a question with our online form, or email rules@stopwaste.org for more information. We'll be happy to help you categorize your list of current donors.

Submit Food Recovery Report:

1. I certify under the laws of the State of California that the information provided on this form is true and correct to the best of my knowledge. I understand this information may be verified by an on-site visit or other investigation. I hereby authorize the StopWaste/Alameda County Waste Management Authority or their designee to inspect the Service Address listed or otherwise investigate the above for the purpose of determining compliance with the Organics Reduction and Recycling Ordinance.
 - a. Signature:
2. Email completed document to rules@stopwaste.org

Optional Food Recovery Reporting: *From January 1st – December 31st, 2024.

**This optional food recovery section will help inform StopWaste on future funding priorities for grants, equipment, software and other resources. Thank you for taking the time to answer this section.*
