TO: Recycling Board

FROM: Timothy Burroughs, Executive Director

SUBJECT: Food Recovery partner site tour – Tri-City Volunteers (TCV) Food Bank, Fremont

SUMMARY

The Recycling Board is required to hold one meeting per year in each of the five county supervisorial districts. The September 12 meeting is being held in Fremont at the Tri-City Volunteers (TCV) Food Bank, a nonprofit organization that provides emergency grocery assistance to nearly 13,000 people in Alameda County every month through their marketplace, mobile pantry, and bag lunch programs. A longtime StopWaste food recovery and donation partner, TCV is a leader in food recovery and donation efforts, having adopted the client-choice model in 2016, which gives people the ability to choose the foods they take home to their families, and thus reducing the likelihood of unwanted food going to waste. TCV Food Bank staff will provide an overview of their work and a walking tour of their facility.
